Paint, sand, and paint again all parts before assembly.
Do not paint the back edge of the Nosing or the top edge of the Gingerbread.

When gluing parts to the house, scrape sections of bare wood for the glue to grab.

Glue and tape Porch Gingerbread to the bottom edge off the Porch Facia. Clothes pins are great clamps for extra pressure between the Gingerbread and the Porch Posts

Glue and tape sets of Eave Gingerbread under the edge of the Roofs. Let the glue dry.

Glue and tape sets of Eave Nosing to the edge of the Roofs. Let the glue dry, then touch-up the paint if necessary
